When you buy real estate for an investment, look well to location—close, nearer the center of the city the better. We have no hesitancy in recommending the property advertised in the for sale column. It actually pays 19 1-2 per cent. net. D. A. Perry Real Estate agency, Barre, Vt.

We do not remember ever offering a piece of real estate which pays 10 per cent. net. We question seriously whether there is another piece of real estate in the city which can be bought so as to pay as large a rate of interest. The property advertised by us in the for sale column will do this and it is well located too. D. A. Perry Real Estate agency, Barre, Vt.

Notice! Owing to the amount of time lost with our extra force of clerks waiting for each other to make their change, we are obliged to discontinue our present system of issuing rebate checks, and will go onto our cash carrier system for six days of the holiday season, commencing Thursday, December 19, and continuing to Wednesday noon, Dec. 25. We regret very much to have to take this step, but we are already convinced that it will be an impossibility to do otherwise. Respectfully yours, C. N. Kenyon & Co.'s cash bargain store.

A great help to Christmas shoppers is A. A. Smith & Brother's big show window which, notwithstanding its extremely large size, is filled to overflowing with the most beautiful, appropriate and useful Christmas presents imaginable. In one side of this large and conspicuous window will be found samples from their jewelry department, which has become so widely and favorably known throughout the state. In this department will be found Waltham and Elgin watches, marked down from \$22.50 to \$12.98, and a lot of \$15.00 Waltham and Elgin watches at \$7.98, as well as a lot of \$5.50 watches for \$2.98. For ladies' bracelets, ladies' and gents' solid gold and filled rings, their prices would be hard to match. They offer one lot \$7.50 bracelets at \$3.98, one lot \$6.50 bracelets at \$2.98, chains, rings, and other jewelry articles, reduced accordingly. Their neckwear surpasses in style, quality and quantity any Christmas line ever shown in Barre. Every Christmas shopper would do well to take a look at the above-mentioned window before making their purchases. See their suggestive ad. on page 4.

EAST BARRE.

J. E. Arkley, local correspondent for the Granite Cutters' Journal, writes his views of the local granite situation as follows: "Business in East Barre appears to be very good for this season of the year. We have a new firm here, composed of Deslattes and Bissou, doing business under the name of The World Granite Co. They are doing business in the old Bianchi plant having leased it and making necessary repairs for comfort and installing a large boiler for heating by steam. They have put in a surface cutter and run a gang of men, doing a lively business of good work. They also have both electric power and water, can use either or both at the same time. We wish them every success in their business. We heard rumors of another firm opening up a large plant here that has stood idle for a number of years, but can not confirm the report at this writing, but will report more later in regard to this."

A Real Wonderland.

South Dakota, with its rich silver mines, bonanza farms, wide ranges and strange natural formations, is a veritable wonderland. At Mount City, in the home of Mrs. E. D. Clapp, a wonderful case of healing has lately occurred. Her son seemed near death with lung and throat trouble. "Exhausting coughing spells occurred every five minutes," writes Mrs. Clapp, "when I began giving Dr. King's New Discovery, the great medicine, that saved his life and completely cured him." Guaranteed for coughs and colds, throat and lung troubles, by the Red Cross pharmacy, 50c and \$1.00. Trial bottle free.
